ABOUT UOW BASKETBALL CLUB

Welcome to the UOW Basketball Club!

Absolutely everyone is welcome, no matter your experience level/ability. We enter teams in a variety of competitions, including social, mixed and championship grade levels.

Established in September 2019 by our then President, Hayley Mason, we are an affiliated Club with UOW Pulse. Our founding executive members were Mikayla McGuirk-Scolaro (Vice President), Asad Lilani (Treasurer) and Shubham Raghuvanshi (Secretary).

The aim of the UOW Basketball Club is to provide UOW students with the opportunity to play in both social and competitive basketball competitions, and provide all-level training opportunities, as well as bring together like-minded individuals to create long-lasting friendships both on and off the basketball court.

We strive to provide an inclusive and supportive environment to enjoy the game of basketball, and we always hope to encourage, foster, promote, develop, and extend basketball participation within the University of Wollongong.

PRESIDENT'S REPORT

I am excited to share President's Report for UOW Basketball Club's achievements, and challenges for 2024, as well as goals for 2025. It has been a year full of change, adaptation, and problem solving, which has strengthened the Club's position in the community.

The start-of-year O-Week Festival, was the first major event of the year, with high interest being garnered relating to not only the competition, but also the social trainings. The "Come and Try Night" was held the same week, with an amazing attendance of 35+ people on one court. The Competitive team Tryouts were next, in which we garnered enough interest to submit 6 teams into the Competitive and social Snakepit competitions, smashing the 3 team target set the year prior

This year we ran a charity mixed 3v3 tournament, with a new partner, Talk2MeBro, a charity focused on raising awareness about men's mental health and suicide, and hosting community outreach and support programs and events.

Building off of our previous successful partnership with Gift of Life, we managed to have 25+ participating players, with 35+ total attendees at the event. We had a total of 6 teams participate, with prizes awarded at the end of the event by the Talk2meBro representatives. After the event, quite a few of the players also participated in the ice baths provided by Talk2meBro, to cool off and learn more about the breathing techniques and events held.

2024 has brought the club amazing growth in member numbers, as well as an expansion into our community outreach with incredibly enthusiastic responses to our free social trainings on Tuesday nights.

In my first year as president, I learned all I could from our members and executive committee, and implemented new systems into the club's organisation. I also learned how much of the club's day-to-day responsibilities are dependent on the executive committee's commitment and time, ensuring that when unexpected issues arise, they are dealt with.

The executive members of the committee are the reason this club runs and has continued to persevere through challenges, for that, as president I am grateful for their help, support, and tenacity.

I would also like to thank all the UniClubs and UOW Pulse staff, and volunteers for helping with event organisation and support throughout the year with so many infrastructure changes. I am excited for the next year to come, and looking forward to inviting new executive members to join the team.

MIKEL GUTIERREZ

President, UOW Basketball Club

Successes

- O-Week Festival
- Talk2meBro Mixed 3v3 comp
- Weekly Advanced Trainings
- Weekly Free Social Trainings
- Snakepit Competitive Teams

Challenges

- Finding new Club Executives
- Aligning court bookings with availability
- Snakepit contact changes

RECOMMENDATIONS FOR THE 2025 PRESIDENT

- Set out events, meetings, and important dates early, to increase transparency and member turnout

- Increase community outreach to grow executive committee members. Continue to grow member involvement and engagement. Communicate with members to identify desired events

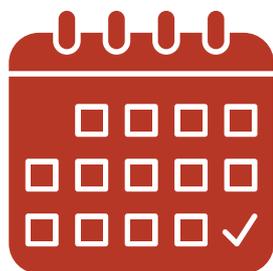

- Strengthen partnerships and investigate more avenues for collaboration. ie. (UOW Pulse, Basketball Illawarra, UniActive, Charity partners, etc)
